### A MESSAGE FROM OUR EXECUTIVE DIRECTOR, RINA THALER

Pablo Picasso said, "I begin with an idea and then it becomes something else." I am constantly amazed at the ideas and creative energy that exudes from our members here at the Ocean City Center for the Arts, and how we have been able to take those ideas and create exciting new activities and events.

For instance, three years ago one of our board members, John Sisson, came up with the idea of highlighting the artwork of area youth in an Anime/Manga art contest and exhibition. I had never even heard of this type of Japanese animated comic art, but, since we have started the show, it has grown from a handful of entries to over 100.

## PLEASE CONSIDER BECOMING AN ART LEAGUE LEGACY pARTner

The goal isn't to live forever. The goal is to create something that will. Support your passion for arts and the future of the Art League of Ocean City.

Call Development Coordinator Georgette Greason or Executive Director Rina Thaler at 410-524-9433.

### *A message from our Board President, Marian Bickerstaff*

I am excited to inform you that the Art League of Ocean City will host a special reception to recognize its major donors and corporate partners on Wednesday, April 4.

We are so appreciative of the many individuals, families and businesses who have supported us over the years, and we will honor them at this event.

At the reception, we will unveil the 2018 Wall of Honor. With the advancement of technology, we are now able to recognize cumulative giving of our donors since moving into the new Ocean City Center for the Arts in 2013.

To add to the excitement, we will also launch our Legacy pARTners program by acknowledging donors who have declared the Art League of Ocean City as a beneficiary in their planned giving. If your life has been enriched by the arts, if you care deeply about your passion and the Art League of Ocean City and if want to pass it on to future generations, I invite all of you to consider joining this society to sustain local access to the arts.

This can be done simply as a bequest, a beneficiary of a retirement plan, bank or brokerage account or life insurance policy, and also by other legal devices.

Please give our Executive Director, Rina Thaler, or Development Coordinator, Georgette Greason, a call to discuss how you can become a member of the Legacy pARTners society.

*Thaler continued from Page 1*

Our First Friday in April will feature Anime/Manga art produced by local middle, high school, and college students. There will be free workshops that weekend, and everyone is welcome to come in costume or "cosplay" to the opening reception. I highly recommend it!

Another great idea coming this May, this time suggested by board member Sandy Gillis, is "The Big Get-Together" event on Wednesday evening, May 9, from 6-9 p.m. Featuring great tastings by some of the local restaurants of the OC Foodie Tour and craft beers from Shore-craft Brewers, this event is not to be missed!

The evening will complement Debra Howard's innovative "Fragrance" show in the Thaler Gallery that pairs fragrances and artwork.

Finally, in the month of June we welcome the Clay Guild of the Eastern Shore whose idea of "Clay-polooza" will turn the Ocean City Center for the Arts into a clay festival on June 23 & 24. This free weekend-long event will include lots of hands-on clay activities for the whole family, artist demos, clay throwing competitions, and a pottery marketplace.

Please join us for these special events, and thank you for sharing your great ideas with us! As Earl Nightingale once said, "Everything begins with an idea."
