THE ARTS ALIVE IN
OCEAN CITY & BEYOND —
WITH YOUR SUPPORT

From free admission at the Arts Center to Free Family Art Days to Play It Safe to after-school classes, the Art League of Ocean City depends on your support to keep going. And now is the time of year that we ask you to please give.

The Art League is a 501c3 non-profit; your donation is tax deductible, and there are many ways to give. And no amount is too small — or large! Please, have a heART!

CBS SAYS: "GO
SEE THIS SHOW!"

Nothing like Artrageous has ever come to Ocean City before! A show that focuses on art, music, theater, singing, dancing, audience interaction - all on one stage. See artists create masterpieces right before your eyes in mere moments. Go on a visual journey to a gallery of finished paintings, culminating in the performers inviting the audience to come on stage.

A picture may be worth a thousand words, but there are not enough words to describe Artrageous. You need to experience it yourself! For years, the Art League has been wanting to bring something special and unique to Ocean City and Worcester County, something upbeat and inspiring that would “wow” the audience, incorporate both the visual and performing arts, and be “never seen before” in the area. Finally we found it!

Please join us for Artrageous on Sunday, Oct. 28 at 8 pm at the Ocean City Performing Arts Center and enjoy world class entertainment while supporting the Art League of Ocean City. Proceeds go towards the programs and continued operation of the Art League and the Ocean City Center for the Arts. This internationally touring show combines music, dance, singing, and painting on one stage and culminates with the audience walking through a gallery of original art created during the performance. Bring your friends and family and experience an unforgettable night. Tickets are only \$25-\$35 and can be purchased at ticketmaster.com.

Additionally, through a grant provided by the Humphreys Foundation and support by the Optimists, more than 1,000 Worcester County middle and high school students will see a free special school performance of the show the next day geared towards them. This early exposure to the arts can be life changing for young people!

Thank you to Jamie Albright for bringing us this performance and securing the grant, and to Bob Rothermel and the Town of Ocean City for their help with the production. Join us for Artrageous and feel good you will be supporting the arts while watching art being made!

THALER GALLERY **“WE CYCLE & RECYCLE”**
Eastern Shore International Mountain Bike Association

As we anticipate the approach of autumn with its brilliant colors, we can reflect on all the exciting summer activities at the Ocean City Center for the Arts. We were treated to marvelous exhibits by our iconic Eastern Shore artists – Kirk McBride, Lynn Lockhart, Pete Cosby, Kevin Fitzgerald — with Patrick Henry coming in October. Awesome work was created in our annual plein air event, and we thank Emily

Schwab and her committee for the exciting 5-day event.

The Art League’s biggest fundraisers were again successes with our Art-a-Ritaville cocktail party at the Gateway Grand and the annual Sand Castle Home Tour. “Thank you” to all of our guests and to the hundreds of volunteers who again made our Sand Castle Home Tour happen! We continue to be grateful for the support from our community, the homeowners who open their homes, the florists for their beautiful arrangements in each home, and the businesses who sponsor these events.

Watch for our forthcoming annual report which outlines the past year’s activities. We thank you for all your past financial support and ask that you thoughtfully consider a donation to this year’s annual fund drive, “Have a heART.” Now more than ever before, we depend on community support to provide funding for our many free family-oriented events. Help us continue to serve as a beacon of light in our community!!
