

# ART CREATES COMMUNITY

## ALL ARE EMBRACED

Did you catch the June "Isolation Art Show" at the Arts Center? It was fascinating to see how our members shared their experience of the lockdown. Some works made me smile.

I purchased one of those. Others were thought-provoking and caused me to seriously contemplate my own reaction, and how my life has changed as a result of this new circumstance.

Art does that, doesn't it? It makes us peer inside. Who can look at that powerful mural of George Floyd in Minneapolis, for example, and not feel empathy for those who have suffered injustice for so long? We can be justly proud of the Art League's efforts to bring joy and healing, to give voice to our dreams and aspirations, and even, at times, to our frustration and pain; to provide an environment where diversity is celebrated, and free expression encouraged.

In accordance with long-standing core values, our Board has joined countless art organizations in the state and nation in re-affirming our commitment. The full Statement of Solidarity can be viewed on our website and Facebook page. Let there be no doubt that at the Art League of Ocean City, all are welcome, all are embraced.

President

## 100 PIECES OF heART

On behalf of all of us at the Art League, thank you to everyone who called to check on us and made donations to our COVID-19 Emergency Operating Fund.

It is good to be back in the building, interacting with members and visitors now that we have reopened. I am proud that we were able to continue to offer programming during the shut down with our online classes, exhibits and Zoom get-togethers. However, recent months and uncertainty about the summer has severely impacted our resources.

Our artist members are stepping up to donate artwork for our first-ever online art auction, "100 Pieces of heART."

Our goal is to auction off 100 pieces of original art, not only as a fundraiser, but to inspire and spread joy to those who purchase it. When an artist creates a piece of art with their hands, they are also putting a piece of their heart into it. The art they create is influenced by their personal journey and can be a powerful medium to spread joy.

The auction will run throughout the month of July. Please consider visiting our auction site and making a bid for a piece of art. We thank you from the bottom of our heARTS.
