IT'S ALL ABOUT THE MISSION

As a 501c3 nonprofit organization, all of our programs at the Art League are driven by our mission to promote artistic expression and appreciation of the creative arts in the community.

This summer brings a renewed sense of optimism, as our mission to promote artistic expression and appreciation of the creative arts is mani-

festated in our 5-week Art Adventure Camp, the "Artists Paint OC" Plein Air event, and Art X, the annual art and music festival at Northside Park. Plus a wide array of art classes (both in person and on Zoom) and striking art

exhibitions here at the Arts Center and now in our satellite galleries at the Princess Royale Oceanfront Hotel, the Coffee Beanery, the Ocean City Chamber of Commerce, and the Ocean City Visitor Center.

In addition to all of these amazing programs and events that you see in this publication, there are even more ways that the Art League impacts the community that you may not be aware of. These include the summer art academies at Buckingham and Snow Hill Elementary Schools, art classes for developmentally delayed clients of the Worcester County Developmental Center, and a new project to bring post-pandemic healing through art that will culminate with a Wall of Healing in October.

I'd like to thank all of our members and supporters who make this work possible. To learn more about our outreach programs and how you can be part of how the Art League supports the community, please reach out to me at rthaler@artleagueofoceancity.org.

“I am interested in making work that provokes a visceral response while maintaining a reverence for natural forms and a focused concern for the material, movement, and balance ... The forms on this scale were made possible by two oak trees and two maple trees which grew and were felled on my property in 2018.”

YOUR MEMBERSHIP MAKES A DIFFERENCE

As we continue our Summer Membership Campaign, it's important to remember that belonging to the Art League of Ocean City pays off in a number of ways: ways we can measure, and ways beyond valuation.

Membership is more than a predictable and sustainable source of income to support the exhibits, events and programs we have come to cherish and admire, though that is important indeed.

Membership is more than the collection of discounts and benefits that accrue to us as individuals, though these are of great value as well.

Membership is more than the clout that numbers bring to bear when we apply for grants or seek approval and assistance from sectors private and public, though that truly gives us a powerful advantage.

Membership is more than the sense of belonging, and the feeling of accomplishment we get from experiencing art and creating art or supporting those who do; the personal growth and inspiration to ourselves and others; opening our hearts and minds and looking at life from a different perspective.

Membership is more than the satisfaction we get from supporting a noble cause: a Vision, a Mission, and a shared set of Core Values, though these justly give us a sense of great pride.

Membership is all of these and more: a total far greater than the sum of its parts, that draws us together to make a positive difference in the lives of individuals, and in the life of our community at large.

If you are not yet a member, please come with us. You will find it easy to join. If you already belong, please consider renewing at a higher level if you can. Bring your friends along with you. They will thank you.

We need each other in this great endeavor.

Welcome to our new Director of Development

Interested in becoming a new Art League partner or donor or make a legacy gift to keep the arts alive? Nancy Dofflemeyer of Ocean Pines can help you make that happen. "Nancy will be a major asset to our team as we look to the future and new outreach opportunities," Rina Thaler, executive director of the Art League, said.

Dofflemeyer was previously Golf Director for the Harrison Group, former president of the Executive Women's Golf Assn., Eastern Shore Chapter, and founder of the Pink Ribbon Classic. In 2016, she received the Eastern Shore Golf Hall of Fame Award and the EWGA/LPGA Nancy Oliver Founders Award for members who display long-term volunteerism.

"I am excited to join the talented team at the Art League, and my true passion for the arts has now come full circle," said Dofflemeyer. "I also studied fine art and dance at the University of Copenhagen in Denmark and enjoy weaving, pottery and dancing my way through my life's journey. I look forward to developing and expanding art in our community."
