## CLASSES & EVENTS

*Excerpt from  
"The Starless Night"*  
written by

*Theresa Anne Nauschuetz*

Wind thrashing this  
cloudy eve, shrieking  
down alleys, shaking  
branches, whipping  
them into a frenzy.  
Cold burrowed into  
my bones, icy fingers  
numbing me, calling  
me to sleep. The stone  
bed was hard....

Wendy Cossman*

## Open Your Heart to Art in 2022

As the year begins anew, we are re-imagining the way we present information to our members with this new format for our newsletter. Since there are so many classes, exhibits, and events to list, we are testing a monthly mailer to our members rather than a quarterly one.

You can always view expanded listings of all our upcoming opportunities on our website at **ArtLeagueofOceanCity.org**. We have included a QR code that goes directly to our full schedule of classes. Simply scan the code with your smart phone, and you can register from our website.

Make a New Year's resolution to get involved and join old and new friends in a creative environment. Take a class in pottery, painting, or glass, or attend one of our First Friday receptions. Not only will you have fun, but you will also find that life has so much more meaning and purpose when you engage in art.

Thank you to everyone who has opened their hearts to art by participating in our annual giving campaign. Your generous support and encouragement allow us to continue to provide art programs to local school children and vulnerable populations throughout the area. It is not too late to donate and add a hugging heart to the birch trees in our gallery that will remain on display through February. We hope to see you here soon!
