By helping to elevate and renovate the Arts Center, you're investing in the future of the arts for our community and all who pass through our doors – for the next decade and beyond.

# FUTURE OF THE ARTS CAMPAIGN ~ FOR NOW, FOR GENERATIONS

**2023** marks the Art League's 60th anniversary of serving the community through art and the 10th anniversary of what we fondly call "our new building" - the Ocean City Center for the Arts. It was a dream come true when

we opened our new home in 2013. Since then, many people have found purpose and meaning at the Arts Center.

After a decade of use, hundreds of exhibits and more than 160,000 visitors, our sights are set on the future. To elevate our home for the next decade, we are calling on community members, local businesses, and friends who share our passion for the

arts to join us in supporting this campaign. The Future of the Arts Campaign will raise funds to update and improve the Arts Center's technology, sound system, security, pottery studio equipment, interior and exterior signage, gallery, and classrooms, and prepare us for the next decade. By investing in the future, your generosity will make a difference for today, and for future generations to come.

Please make your gift today on our website **OCart.org/donate**, or by mail at Art League of Ocean City, P.O. Box 3503, Ocean City, MD 21843. The Art League is a 501c3 non-profit organization, and donations are tax deductible to the fullest extent of the law. Thank you for your partnership that allows the arts to flourish.
