July PETRA BERNSTEIN

"The Space In Between"

Born and raised in the German countryside, Petra learned to appreciate nature at an early age. Her artwork ranges from paintings of flora and fauna to abstract interpretations of nature's mystery. The Maryland-based artist captures intriguing reflections, patterns, colors, and textures. "Art has become a beautiful journey, and I can no longer imagine my life without it," Petra says.

Aug KIRK McBRIDE LYNNE LOCKHART

"Out and About"

Fellow painters and husband and wife Lynne and Kirk of Berlin often paint together "out and about," but in unique ways. "Our facts may be the same but our truths are different," Lynne says. For her, painting is a visual language, much like the language of animals she often paints. Kirk was influenced by Edward Hopper and Winslow Homer, and his oil paintings emphasize mass, light, and mood. The couple travels to paint from deserts and mountains to beaches.

SUMMER AND ARTS

Dear Members and Friends,

Summer is here, and the Art League is buzzing with creativity. Art Adventure Camp kicked off in June, and more than 300 children ages 6-14 will participate in the 7-week camp. Thank you to the Donnie Williams Foundation and Choptank Electric Cooperative for the funding to help produce this program, and the Town of Ocean City Recreation Department for partnering.

While Art Adventure Camp is sold out, there are other opportunities for kids to express themselves this summer including our Free Kids Crafts every Saturday, Kids Acting Camp in August, and youth art classes.

Our galleries have also been buzzing with activity. July features a stunning solo exhibition by Petra Bernstein and the 26th annual Beverly Bassford Juried show, while August brings us master plein air artists Kirk McBride and Lynne Lockhart with new works from their travels.

The highlight of summer is our 20th Annual Artists Paint OC Plein Air Festival August 13-17. This 5-day event brings 50 professional artists to paint outdoors in the Ocean City area, vying for over \$7,000 in prizes. The festival includes opportunities to watch artists create and collect original artwork.

In addition to the adult artists, kids ages 6-17 can participate in Kid's Paint OC. Thanks to a grant from the Worcester County Arts Council and John Sisson, we will provide art supplies for 200 kids to make art "en plein air" just like the adults. Their work will be on display at the Wet Paint Sale on Sunday, August 17.

To follow Artists Paint OC and our other events, download our Art League App on Apple or Google.

Your support is crucial in helping us achieve these goals. Thank you to all who have contributed to our "Impact of the Arts" Campaign. It's your enthusiasm that fuels our mission to enrich the cultural landscape of Ocean City, and allows us to impact the lives of so many children and adults through art.

Wishing you all a joyful summer filled with creativity and inspiration!
